3.1 GENERAL PROPERTY DESCRIPTION

Identify by type/category and location all taxable business personal property in your possession on January 1 by darkening the "YES" or "NO" bubble (). If you managed or controlled property as an agent on January 1, attach a list of the names and addresses of each property owner. A "Good Faith Estimate Of Market Value" is your best estimate of what the property would have sold for in U.S. dollars on January 1 of the current tax year if it had been on the market for a reasonable length of time and neither you or the purchaser was forced to buy or sell. For inventory, it is the price for which the property would have sold as a unit to a purchaser who would continue the business. The "Good Faith Estimate Of Market Value" section will assist the appraisal district in valuing your property. If you choose to provide a "Good Faith Estimate of Market Value", complete Box A1 - F1 then total in Box G1 or simply place an overall estimate in Box G1. Transfer Box G1 to Step 3.C on the front of this form.

If the chief appraiser denies or terminates an exemption, the owner must render the property for taxation within 30 days from the denial or termination (Tax Code Sections 21.01(a) and 22.02).

Address Where Taxable: In some instances, BPP (see Business Personal Property) that is only temporarily at its current address may be taxable at another location (taxable situs). If you know that this is the case, please list the address where taxable.

Agent: Also referred to as a "Fiduciary", a person or institution who manages BPP for another and who must exercise a standard of care in such management activity by law or contract.

Business Personal Property Rendition: A report or statement filed with the appraisal district by the taxpayer that includes the BPP owner's name and address, a general description of the BPP by type or category, and the physical location or taxable situs of the BPP as of January 1. For inventory, it is the price for which the BPP would have sold as a unit to a purchaser who would continue the business.

Historical Cost: What you paid for the BPP when it was new, or if you bought the BPP used, what the original buyer paid when it was new. If you bought the BPP used, and do not know what the original buyer paid, state what you paid with a note that you purchased it used.

Inventory (Merchandise and Supplies): BPP that is held by a commercial enterprise for consumption or for sale.

Lease: A contract by which one conveys BPP for a specified term and for a specified rent.
